FIGHTSTAR

ONE DAY SON, THIS WILL ALL BE YOURS [DELUXE 2 CD EDITION]

- Fightstar, formed by ex-Busted frontman Charlie Simpson in 2004, have released an EP, a compilation, and three albums. The most recent of these, "Be Human" entered the charts at # 20 in April 2009.
- "One Day Son..." is the band's second album, originally released in September 2007 via the Gut label. Five singles were released from the album, three on physical CD format: 'We Apologise For Nothing', 'Deathcar' and 'Floods'. Following the demise of Gut, Edsel is proud to be able to release this expanded edition of the album.
- The second disc of this 2 CD Deluxe Edition rounds up the fourteen non-album tracks released on the three physical singles issued from the album, as well as one song ("Where's The Money Lebowski") only available on the "Alternate Endings" compilation. Five of the tracks are exclusive to this release.
- Fightstar will be enjoying continued exposure this summer: they have announced a tour and will shortly release a second single from their latest album.
